wordwheel puzzle

The goal of a word wheel puzzle is to create as many words possible with the letters in the word wheel. You can only use each letter once and every word must have the letter in the center of the wheel.

Can you find the 11 letter word?

Here is a little help to find the word:

A baby that is found after being left by its parents.

The 11 letter word is:

.....

.....

.....

.....

.....

.....

.....

.....

Answer sheet

Wordwheel possible words
